First of all, receive a warm greeting. PLATAFORMA MÉDICA, C.A., R.I.F: J-31508690-5, is a company founded in 2006 and dedicated to:

1) Register, import, export, distribute and market the largest medicines, medicines and pharmaceutical products, cosmetics, machinery and equipment for manufacturing, manufacture of all types of medicine, medicines, pharmaceutical products, medicinal foods, reagents, cosmetics, dermatological soaps, antibacterial gel, electroconductive gel and ecosonograms, import and export to the largest raw material for this purpose. Being representative of international laboratories (BIO ESTERIL) and with assigned codes of national laboratories (BEHRENS-VARGAS - PROBIOTIC).

2) Import, export, distribution, services, purchase, sale and rent to wholesale and retail of medical equipment, paramedics, odontology, medical and surgical laboratory equipment specialized for medical centers for the provision of services, both preventive, curative, framed to primary, secondary, tertiary care in health and integral medicine throughout the Venezuelan territory.

3) Additionally we have manufacturing and supply of special vehicles where ambulatory care services, radiology, tomography, nuclear magnetic resonance, mobile pharmacies, mobile medical-odontological units, installation of odontological, ophthalmological surgical and surgical surgeries can be performed. ambulatory

In this opportunity we are writing to you in order to offer you our services, destined to the health of the Country and proposing to contribute in the program of **HUMANITARIAN AID** currently presented by Venezuela, so that we can meet the needs to be able to carry out an excellent management.

No more to make reference, thanks in advance the attention you can pay to this, says goodbye.

Very Truly Yours

Dr. Guillermo Prieto Muñoz.

Presidente
